

Medical Grade Chemical Peels

PCA® Skin Professional treatments are scientifically formulated to gently stimulate, firm, and tighten the skin. Clinically researched formulations help reduce depth of surface lines, smooth rough texture, treat discoloration and redness and assist in clearing acneic skin without the downtime associated with chemical peels.

Gentle ingredients are carefully blended to work synergistically to remove dull, damaged surface layers and reveal your smooth radiant, glowing skin that is hidden

First visit is 30 minutes, additional series treatments are 15 minutes.

Peels Include Post Peel Solution Kit (\$25 value)

Contains: Facial Wash, Après Peel Soothing Balm, Perfecting Protection SPF 30, ReBalance and Silkcoat balm.

Sensi Peel\$115

Sensi Peel® is formulated as a unique peeling option for all patients including those with highly sensitive skin. This gentle 6% TCA solution will improve surface texture and brighten the skin while helping to promote an even skin tone. This multi-faceted and skin-brightening treatment is an excellent option for sensitive skin and higher Fitzpatrick skin types. 30 min

Ultra Peel I \$125

This is an excellent retinol-based treatment for smoothing, firming and brightening all skin types, including extra-sensitive, and acneic skin types, as well as those with rosacea. This peel may also be coupled with the sensi peel for an extra boost that helps increase cell turnover to bring healthy, fresh cells to the surface, leaving the skin hydrated, smooth and bright. 30 min

Ultra Peel II..... \$115
This is an excellent retinol-based treatment for smoothing, firming and brightening all skin types, including extra-sensitive, and acneic skin types, as well as those with rosacea. This peel may also be coupled with the sensi peel for an extra boost that helps increase cell turnover to bring healthy, fresh cells to the surface, leaving the skin hydrated, smooth and bright. 30 min

Forte TCA Peel \$135

This treatment, only administered under a physician's supervision, is most suitable for patients with resilient skin to promote an even skin tone and improve the appearance of fine lines and wrinkles. 30 min

PCA Peel /Hydroquinone... \$125
This enhanced Jessner's formula is for those who want an even skin tone and have no sensitivity to hydroquinone. This peel helps promote an even skin tone and a clear complexion. This unique formulation improves the texture of skin and helps to correct many types of skin discoloration ~ hyper pigmentation. 30 min

Réviance Portland Signature Facial.....\$129

Our signature facial includes a consultation with our medical esthetician, cleansing, exfoliation, toning the skin, facial steam, hot towel compresses, and a hydrating finishing crème. Components of this facial is included in the Therapeutic Treatments listed below. 50 min

Oxygenating Trio Therapeutic Facial.....\$159

This is an antioxidant therapy that corrects and prevents free radical damage, reducing oxidative and environmental stress to the skin. It helps promote healthy skin and rejuvenate sluggish, stressed skin that has been depleted by toxins, pollutants, allergens, improper diet, smoking and sun damage. This treatment is perfect before attending special events, for summer time rejuvenation without flaking or peeling, or for someone who is experiencing a clinical treatment for the first time. 75 min

Detox Deep Pore Therapeutic Facial.....\$159

This is an excellent choice for detoxifying all skin types. The active blend of lactic, glycolic and salicylic acids exfoliates and promotes a purified and clear complexion. This gentle, deep pore cleansing treatment provides clarifying and antioxidant action. 75 min

Therapeutic Pumpkin Mask Treatment.....\$169

Retexturize: Therapeutic Pumpkin Mask improves the appearance of rough-textured skin, leaving a glowing complexion following treatment. Replenishing Gel and Calming Balm, both treatment enhancement products, soothe and calm while providing additional antioxidant protection post-procedure. 75 min

Therapeutic Salicylic Acid Mask Treatment.....\$169

Clarify: Formulated with the breakout-prone patient in mind. Therapeutic Salicylic Acid Mask Treatment provides soothing and purifying action while promoting a clear complexion. Replenishing Gel and Calming Balm, both treatment enhancement products, soothe and calm while providing additional antioxidant protection post-procedure. 75 min

Therapeutic Oat Milk Mask Treatment.....\$169

Hydrate: Therapeutic Oat Milk Mask Treatment provides a combination of antioxidant-rich oat milk, with panthenol and additional botanicals like cucumber and arnica to calm, hydrate and improve the overall appearance of the skin. Replenishing Gel and Calming Balm, both treatment enhancement products, soothe and calm while providing additional antioxidant protection post-procedure. 75 min

Therapeutic Papaya Mask Treatment.....\$169

Revitalize: Therapeutic Papaya Mask calms and exfoliates skin, leaving it smooth and glowing. Replenishing Gel and Calming Balm, both treatment enhancement products, soothe and calm while providing additional antioxidant protection post-procedure. 75 min

Additional Services: These treatments may require a consultation prior to treatment to determine candidacy and pricing.
